

IT'S OUR **B** DAY

CHARLOTTE'S WEB™
STANLEY BROTHERS

Certified
B
Corporation

CHARLOTTE'S WEB IS A CERTIFIED B CORP!

AND WE WANTED YOU TO BE AMONG
THE FIRST TO KNOW.

After months of hard work to complete the B Impact Assessment, we're honored to achieve status as a certified B Corp, joining the larger B Corp community—3,499 companies in 74 countries—dedicated to using the power of business to benefit the planet and all who live upon it.

This milestone is just the beginning of our journey. As we celebrate this momentous occasion at Charlotte's Web™, we're getting down to business the B Corp way and continuing to further our practices to benefit the environment, our farmers, employees, customers, and our diverse communities where we live and work.
